Small Square Scarf

1. Use on the diagonal.
2. Fold opposite corners to the center.
3. Fold to center again.
4. Continue folding until scarf is about 1.5" wide.
5. Pull one end of scarf thru slide - center it.
6. Tie behind neck and tuck knot under collar. Or knot can be pulled to front and inserted in slide.

Large Oblong Scarf

1. Lay Flat.
 2. Fold both sides to center.
 3. Place around neck. Insert end of scarf, pull slide 3/4 of way to shoulder.
 4. Take other end, fold into scarf just below slide.
 5. Pull slide down, causing second end to move through slide.
 6. Take one end in each hand and pull gently and evenly to desired height.
- ** to make long scarf short - wrap across front of neck, cross in back, pull ends forward. Proceed with step 3.
